

## **Creation Spirituality**

This program will offer participants an opportunity to understand and find ways to practice a Christian vision of Earth-Centered Spirituality. The text for this Course, *Care for Creation* by Franciscan Media, offers a sacramental view of the Universe sourced in Franciscan Spirituality and it provides practical ways to pray and live in right relationship with all of creation. The Course will draw on scripture, poetry, ancient prayers, and the lives of saints and prophets. There will be time for input, discussion, prayer, and creative activities.
