BILL C-7 - An Act to amend the Criminal Code

Expansion of eligibility criteria for physician-assisted dying

Worrisome! Because:

- People may have recourse to medical assistance in dying even when natural death is not reasonably foreseeable
- A person may waive their final consent when natural death is reasonably foreseeable, putting them in a vulnerable position

Disturbing! Because:

- a questionable, biased and rushed online survey underlies this Bill
- it shows a systematic discarding of different points of view

Let us Affirm!

- The inalienable right to life which cannot be taken away by others
- The importance of compassion for the sick and dying
- Our responsibility to protect the most vulnerable among us
- The possibility of relieving pain and suffering without resorting to murder

Let us Demand!

- A public, transparent process open to a wide variety of voices
- A taking into account of inviolable moral and ethical principles
- To be heard!

Let us Act!

- Be sure your member of parliament (MP) hears your opinion!
