

Do You Feel:

- lost and alone
- frustrated, hurt, or angry with your spouse
- like you are constantly arguing or fighting
- like separation or divorce is the answer
- that you have no time and/or desire to communicate
- that talking only makes things worse
- that you don't know how to change or where to turn

Retrouvaille Can Help If:

- your marriage has become unloving and uncaring
- your relationship has grown cold and distant
- there is little or no meaningful communication between you and your spouse
- you feel disappointment even despair
- you are thinking of separation or divorce
- you are already separated, but want to try again
- you have simply drifted apart

Come to Retrouvaille and discover you are not alone.

The weekend is not a spiritual retreat or a seminar. You will not be asked to share with others.

It is not counseling. Instead, team couples share how listening, forgiveness, and communication can rebuild marriages.

Retrouvaille is Catholic in origin and orientation, **but is open to all married couples regardless of religious background.** The focus is on rebuilding your marital relationship.

The RETROUVAILLE WEEKEND:

- Husbands and wives are helped to re-establish communication and to gain new insights about themselves as individuals and as a couple.
- The program is presented by a team of married couples and a priest. The team couples, who have experienced disillusionment, pain, anger, and conflict, offer hope as they share their personal stories of struggle, reconciliation and healing. You will find courage and strength in the realization that you are not alone in your struggle.
- You will be encouraged to look beyond the hurt and pain, in order to rediscover each other in a new and positive way.

The Retrouvaille Weekend will help you discover how listening, forgiveness, communication, and the dialogue process are powerful aids for building a loving and lasting relationship.

THE POST PROGRAM

Just as marriages do not reach crisis in a weekend, forgiveness, healing and change take time.

- Six post sessions help you to continue to work on your relationship
- More relaxed setting to continue exploring, love, renewal of commitment and to develop new insights and skills
- Helps you explore concepts in greater depth and helps you apply these concepts to your marriage
