

My Pilgrimage of Hope

God has placed people in your life as lights of hope who guide you to Jesus, the true light and source of all hope. Your family and the Church are walking with you on a path of faith, hope, and love toward God.

Hope is the certainty that God is guiding us and that He will fulfill His promise of eternal life. (cf. YouCat, 308)

Draw or write below how hope is present in your life.

God gives me hope when:	My family helped me find hope when:
My friends helped me find hope when:	This is where I see hope in the world:

Prayer

When you have completed the activity, consider saying a prayer of thanksgiving to God for all those who help you on your pilgrimage of hope back to God. You may create your own prayer or pray this prayer instead:

Dear Heavenly Father, thank you for my life and for everyone who helps me to know you. Bless my family and my home. Teach me how to be a light of hope to others. Amen.
