# REEL JUSTICE FILM FESTIVAL

## How to Host a Community Screening

Thank you for your interest in Reel Justice! Our organizations strive to support social change and provide education around unfair social, political, and economic structures.

### ④ Why a film festival?

The Church teaches that social justice is an integral part of evangelization and essential to the Church's mission. There are so many issues of injustice all over our world, it is hard to know where to begin. **Start by joining us for a movie and discussion!**

### ④ How does it work?

The Reel Justice Film Festival is a partnership between Development and Peace - Cartias Canada and the Bishop Farrell Library & Archives. **Film screenings are shown online via Zoom and hosted once a month from January to May.**
