

Reflection on Motherhood

“**The** most important person on earth is a mother. She cannot claim the honour of having built Notre Dame Cathedral. She need not. She has built something more magnificent than any cathedral—a dwelling for an immortal soul, the tiny perfection of her baby’s body. The angels have not been blessed with such a grace. They cannot share in God’s creative miracle to bring new saints to Heaven. Only a human mother can. Mothers are closer to God the Creator than any other creature; God joins forces with mothers in performing this act of creation ...

What on God’s good earth is more glorious than this; to be a mother?”

Joszef Cardinal Mindszenty

I have gotten so many great tips at mothers group. I have transferred this to the way I parent. It's fantastic. I highly recommend it. There is so much laughter in the group too. It really is fun.

I am always so happy that I came. It gives me a wonderful sense of fellowship and joy! Don't hesitate in going, you will really enjoy it. Meeting like-minded moms is a powerful experience. It gives you strength and inspiration just when you need it.

Lynda

I am a practicing catholic, but you can only learn so much at Mass. The group delves into specifics. It's such a spiritual experience. I have learned so many different prayers and catholic traditions I did not know about. I love it.
